1. **Yoga & Movement with Ms. Monica Zoll:** Develop your flexibility and inner Zen by spending an hour learning yoga moves and moving to music.
2. **Darryl Gee Soccer:** Intro to soccer taught in a fun skills based class. Taught by experts outdoors in the fall or spring and indoors during the winter. Children learn basic soccer techniques and the principals of good sportsmanship.
3. **Nature Exploration with Gardening:** Explore the neighborhood for signs of spring, learn about plants and grow some of your own in the pre-school's garden. Books and art will focus on nature and gardening.
4. **Gymnastics with Mrs. Hamilton:** Our former gymnast will teach your little ones some tumbling, trampoline and balance skills.
5. **Music with Ms. Maribeth:** Let our own rock star music teacher work her magic with your children and introduce them to different instruments.
6. **Cooking Around the World:** Visit several countries to learn about their culture and to make some of their native dishes. Basic cooking and cutting skills will be taught.
7. **Two's Time 'Til 2:00:** This special class is offered sporadically throughout the year for our youngest children. Children need not be potty-trained for this class.
8. **Basketball.** Run by MSA Basketball. Children are taught the beginning skills of basketball while having fun developing listening skills, coordination and team cooperation.
