

Afternoon Enrichment Programs 2016-17 Application Form

Please complete this form and return along with a non-refundable \$100 deposit per day for each program you would like your child to attend. To participate in afternoon activities children must have celebrated their third birthday and be potty trained (no diapers or pull-ups). Only families that have paid the March tuition deposit for the 2016-17 school year and are current with all tuition fees may register for afternoon programs. Families will receive confirmation of their enrollment via email. Registration is done in the order in which applications are received. Families not assigned a space will be placed on a wait list and their deposit will be returned. Children may attend afternoon programs on days when they do not attend a morning program.

Fees for regular attendance are due along with the scheduled tuition payments. No substitutions may be made if a child does not attend on a day they have registered because of illness or other absence. If a child goes home early, no adjustment of the fee will be made. ***Per day sessions are available on a drop in basis (except Spanish & French Immersion) when space permits. Drop in fees are \$2 more per class, per day.***

Registration for afternoon programs is done in the order in which applications are received. Pre-K students are given priority placement in Language Immersion classes and Afternoon Adventure. **Please return your application and deposit by June 1, 2016 to ensure your child is registered for the class of their choice.**
