

Afternoon Enrichment Programs

A diverse range of afternoon enrichment programs will be offered again next year and taught by our talented group of teachers as well as teachers from Flying Kick and Darryl Gee Soccer. The attached table lists all classes offered each day for the 2016-2017 school year. Afternoon Adventure and Language Immersion classes are offered each week throughout the year and are at the top of the table in white. Mini-sessions—those classes that are offered in 6-8 week lengths—are below and shaded in tan. Descriptions of the mini-sessions are available on the page following the table.

The wonderful thing about our afternoon schedule is the flexibility that it provides you. You have the opportunity to enroll your child for a day (called a drop-in) or for the whole year. Drop-ins for Adventure Afternoon are allowed as space permits. Simply call or email Lauren or Lee in the preschool office to inquire about availability for drop-ins. While we encourage you to sign up for Adventure on a yearly basis for the best rate and availability, you are able to switch in and out of an Adventure class at any time to enroll in mini-sessions by contacting Lauren or Lee. Fees will be pro-rated if the child has already registered for Afternoon Adventure. Language Immersion classes enroll for the entire year only and do not offer the option of drop-ins though you may have your child try a class or two first before making a commitment.

The 2's Time 'Til 2:00 mini-session, which is open to our two-year-olds, does not have a potty training requirement. Otherwise, children must be potty trained and have had their 3rd birthday in order to enroll in afternoon programs.

If you have suggestions for additional mini-sessions, please contact the preschool office.
